

SAFEGUARDING RISK ASSESSMENT

Club Name
Dungarvan Cycling Club

Children First Act 2015 requires that a risk assessment procedure be carried out in relation to the potential for harm and abuse that could come to children while they are in our care and attending activities within our organisation.

Section 11 (1) of the Children First Act 2015 states that where a person proposes to operate as a provider of a relevant service, he or she shall, within 3 months from the date on which he or she commences as such a provider—

- Undertake an assessment of any potential for harm to a child (whilst in our care)
- Cycling Ireland affiliated clubs are required to display a Child Safeguarding Statement (Section 11 (1b))

Please note that in accordance with the requirements of Section 11 (1) the risk assessment is the risk of abuse to a child and not general health and safety risk.
